With the explosion of dance on television shows like, "Dancing With the Stars", "So You Think You Can Dance", and Randy Jackson's, "America's Best Dance Crew", dance in America has become more popular than ever, and it all starts at your local dance studio on Main Street USA!

View our video here, <http://danceprosusa.wordpress.com/>!

Not only do dance studios produce the great talents that you see on these television shows, and even in New York City on Broadway, but, they are also a second home to many kids, teens, and adults throughout the country.

As a valuable resource to the dance community, we at Kiner Enterprises Inc. want to acknowledge the tremendous impact that dance studios across the country have on their students and communities.

Here's how it works...

We want to know what makes your dance studio unique, what makes it different from the other dance studios in your area, and from other dance studios across the country? Tell us about your teachers, your students, the classes you offer, your involvement in charities, non-profit organizations, and even dance competitions! We want to know it all!

Dance Studio owners, dance students, dance parents, and friends, we want to hear from you! You will have the opportunity to submit testimonials, videos, and photos, which highlight all of the wonderful things about your dance studio!

Voting begins on Jan. 1, 2010. Get your friends, family, and community involved!

The winner of the contest will be announced during National Dance Week 2010!
